

Cleveland Clinic Sports Medicine: Our team keeps your athlete in the game.

Michael Scarcella, MD

All athletes deserve the very best sports-related care and treatment, and our sports medicine team is ready to help.

Our medical sports medicine physicians, orthopaedic sports medicine physicians, nurse practitioners, physician assistants, physical therapists, athletic trainers, registered dietitians, radiologists and exercise physiologists will put together a game plan to fit your athlete's needs and goals.

Marie Schaefer, MD

We treat a variety of conditions from acute to most complex, including:

- Overuse injuries and tendonitis
- Sprains, ligament tears, hip injuries
- Concussion management
- Fractures
- Exercise-induced illnesses such as asthma

Brian Warner, AT

Your sports medicine team at St. Edward High School
